

Thank you for considering your Colorado destination wedding event at Chipeta Solar Springs Resort & Spa. Our intimate adobe-style resort is surrounded by majestic peaks, pristine mountain meadows and offers stunning views, classically decorated rooms, private hot tubs & patios, solar heated thermal pools, a full-service spa, complimentary yoga classes, sauna, steam room and on-site Four Corners Restaurant with the rooftop Sky Bar.

Resort Event Spaces:

- **The Kiva Event Center**, located next to the pool deck at the center of the property, is ideal for small weddings, receptions and dinners. The Kiva, a dramatic circular event room, is inspired by Native American ancient gathering places. Besides the incredible mountain views, The Kiva is complete with a 6.1 Audio-Video system, pull down 8x10' screen and bar & food service area. The Kiva is ideal for intimate affairs of up to 50 guests or cocktail social event venues, up to 150 guests. For formal dining wedding and group events up to 150 guests, our elegant white open air tent is the perfect setting for spring, summer and fall events.
- The open-air white event tent, located on-site, accommodates up to 130 guests with a dance floor and 150 guests seated without a dance floor. The open air tent also features carpet, a portable bar, service tables, DJ station area and cake table area.
- **The Four Corners Restaurant** features fresh & eclectic sushi and seafood to southwest cuisine and catering services, when available. Our famed Skybar, voted the "Best view in the Valley", offers specialty beverages and restaurant service.
- Adjacent to the Kiva is a large **Poolside Courtyard** with botanical focal points, fountains, fireplace, and waterfall for outdoor events.
- Just around the corner from the Kiva, a new event venue has recently opened - the T Lazy P Ranch courtyard, featuring a flagstone and grass common area, built-in log bar, several comfortable seating areas, central fire pit and three large furnished authentic tee pees for guests to enjoy.

- The **Great Room**/Solarium, located in the Lodge building, is a cozy spot for you and your guests to relax after a day in the mountains. Enjoy a crackling wood fire, sipping hot tea, sampling a Chipeta chocolate chip cookie, reading a good book, or conversation about the day's adventures; it just might be the perfect ending to a perfect Colorado day!

Lodging and facilities:

- We have a variety of accommodations totaling 29 rooms, including studios, 1 and 2 bedroom Spa Suites, are all uniquely decorated in classic Southwestern style with rich leathers, warm colors and rustic elegance throughout the property. Room details and descriptions are available upon request.
